Menstrual issues and/or PMS	Allergies
Poor circulation, high blood pressure	Constipation
Sinus problems	Asthma
Stroke	Digestive issues
	Facial and bodily rejuvenation

MEDICALLY CRAFTED FACIALS: Scientifically Enhanced Beauty

Micro Cleanse – (60 min)

This rich exfoliating scrub facial eliminates dry, dull and flaky skin to reveal a smooth and even surface below. Micro Polish aggressively exfoliates surface cells to accelerate the skins biological renewal process.

Rosacea Reduction – (60 min)

This facial is designed to help calm and soothe acne/rosacea skin. The Vitamin C Firming Masque will aid in reducing erythema caused by rosacea. Its antibacterial/ anti-septic properties help heal and calm acneic skin.

Custom Anti-oxidant Technology – (60 min)

Your Skincare Specialist will custom design this powerful treatment using the latest in advanced antioxidant research and proven technology. The results will be long lasting and can be your first step to younger, healthier and firmer skin. An excellent antidote for skin that needs a circulation boost from UV, pollution, air travel, illness, medications or stress.

Deep Pore Purify – (60 min)

The perfect treatment for acne, oily, or congested skin. Pre-exfoliation, steam and extractions followed by the combination of botanicals and hyaluronic acid. This design is based on soothing corrective and protective products, using superior combinations of Azelaic acids- preferred by Dermatologists.

Peel - Advanced Results Gentle Peel – (60 min)

This Gel Peel Treatment can be customized to suit your skin type, delivering safe and effective combinations of sophisticated acids designed to minimize the appearance of surface lines, smooth out rough skin texture, aid in clearing acne, and help fade hyperpigmentation.

AcuMed Shave Repair – (30-45 min)

This treatment is designed for men as an alternative to their normal shave routine preventing problems such as razor burn, ingrown hairs, and razor bumps. Format of Kaolin Clay, Phyt+ and Intense Line Defense will purify, exfoliate and correct shave induced skin.

QUICK TREATMENTS: The Ultimate in Express Rejuvenation

Power Cleanse – (30 min)

Cleanse, tone, exfoliate, mask, moisturize, and relax, even on a busy schedule! Taking thirty minutes and making them feel like an eternity of bliss.

Swift Soothe – (30 min)

By restoring the skin's health to its optimal state of being, AcuMedSpa can desensitize sensitive skin, alleviating the results of a weekend's bad sunburn, for instance, while you repose, relax, and replenish.

Intense Hydrating Treatment – (30 min)

This highly concentrated masque infuses dehydrated and stressed skin with optimal amounts of Hyaluronic Acid and Vitamin B to replenish depleted moisture levels.

ACUSERVICES: What Makes Us Unique

AcuFacial - Antioxidant Firming Treatment – (90 min)

This is a true firming facial combining the Dermis Stimulus of Acupuncture and using advanced technology highlighting the proven results of Vitamin C, this antioxidant facial fights and repairs the ravages of UV attack and subsequent photo aging.

AcuLift - Rapid Regeneration – (75 min)

An excellent antidote for daily skin damage, this is a treatment designed for immediate results. This combination of Acupuncture and products leaves the skin noticeably lifted, hydrated, refreshed. Using exfoliation, purifying and correcting techniques with superior product ingredients.

AcuDeep Pore - Dramatic Pore Cleansing – (90 min)

The perfect treatment for oily, congested skin. Pre-exfoliation, steam and extractions followed by the combination of botanicals and hyaluronic acid heal acne without drying. The Clarifying Clay Masque draws out impurities, detoxifies and removes oils leaving the skin refreshed.

AcuDeep Acne - Dramatic Pore Cleansing for Acneic Skin – (90 min)

The Perfect treatment for acneic, oily, congested skin. Pre-exfoliation, steam and extractions followed by the combination of botanicals and hyaluronic acid. This design is based on soothing corrective and protective products, using superior combinations of Azelaic acids- preferred by Dermatologists.

BODY BEAUTY: Nature Inspired Solutions

Sea Scrub – (30 min)

Experience the magic of the sea's salts as they polish your skin into beauty. Lather and exfoliate with this natural body scrub, while removing dead skin and improving circulation, leaving you as iridescent as the ocean's own sunlit gleam.

SanSoleil Body Refine – (30-45 min)

Embody the perfect tan without the harm of the sun. This tanning treatment gives safe and moisturized healthy, sun-kissed skin. Evenly shading your body with the youthful glowing look of health and wellness.

MASSAGE THERAPY: Cultivating Calm

Swedish – (60-90 min)

Allow the force of kneading hands to lift the tension from deep within and scatter it outside of you. Relax while our trained masseuse alleviates all muscle tension, and improves your circulation with every perfect pressure point.

Deep Tissue – (60-90 min)

Experience a sense of calm and release as AcuMedSpa goes beneath the surface to extract rooted muscle pain, assuaging your tension and bringing out your body's inner peace.

Aromatherapy – (60 min)

Clear your mind and heighten your senses with a harmonious mixture of Swedish massage and essential oils. Running its perfect touch through all of your muscles, this massage will remove stress and build energy, chipping away at accumulated strain, transfiguring it into bliss.

Mommy/Baby Relaxation – (60 min)

A tempting treat for the mom-to-be, this massage will get you off your feet and into the gentle care of AcuMedSpa's magic hands. A calm and placid passage made especially to reduce the stress of expecting moms, it aids in the prevention of stretch marks, and reduces uncomfortable water retention.
